

Comins Township
2090 E. Miller Rd.
Fairview, MI 48621
989-848-5811

Date Approved: _____

Supervisor: _____

Clerk: _____

May 23, 2023, Regular Meeting: Was called to order at 6:00pm, Pledge lead by Supervisor Rob Murphy.

Present: Supervisor Rob Murphy, Deputy Clerk Amanda Barajas, Deputy Treasurer Kevin Salisbury, Trustee Arisa Handrich, Trustee Dave Yoder

Absent: Clerk Kelly Wangbichler, Treasurer Deb Dew

Others present: See attached sheet

Guests:

Roman Benson, Canna Club

Requesting recreational marijuana license to open and operate a store within Comins Township under any regulations the board would decide. Elaborated that the township was in an ideal location for traffic heading north but would also like to serve the people of the community.

Jane Handrich & Pickleball Club

Requesting the ability to paint pickleball lines on the second tennis court to allow more games to be played at once. The Pickleball Club currently has 59 players and a need for more playing space. Volunteered to paint the lines themselves if the paint was purchased.

Bernie Kann

Requesting help to get a 25mph speed limit sign added to Cedar Run Road as it is a residential area. Expressed concern of constant speeding and damage to his mailbox.

Public Comment: Supervisor reminded everyone that they are welcome to comment throughout our meetings.

Discussion:

Supervisor Rob Murphy

- 1. Dave Yoder and Jenni Sheldon presented the playhouse built by the Fairview High School Building Class. The play structure has had donations from over 10 businesses and was built under the instruction of Dave Yoder. The money spent to purchase the playhouse would then fund the program for next school year.*
- 2. It is Comins Townships turn to host the September 2023 MTA picnic. The Board is planning to host a potluck style meeting at the pavilion with weather permitting.*

Cont' pg 2.

3. Discussion on speed sign placement for the north and east side of town. Board members to email their suggestions this week after evaluation of the areas.

4. Fire Chief Rodd Layman, expressed need for a dehumidification system for the Fire Hall building during winter months and with washing of the vehicles. Devin Layman of Grindstone Heating and Cooling has quoted out two units that would keep the hall at a proper humidity. The Pumper has also been having some issues and will need repair in the near future.

Agenda Items Approved:

Yoder/Murphy

Murphy/Handrich

Murphy/Yoder

Handrich/Yoder
