Cody Rossen thought a good way to advertise for the Steiner Museum would be to use a billboard, will have to check into how to go about that

Discussion:

Supervisor Rob Murphy:

MTT Dash will begin the two-week milfoil project this week.

Conference call with Myra, Rob and the bank to discuss 49k from firehall sale going on principal of loan and discuss new rates for the \$150k CD that is coming up due. Set up bank account at Mercantile bank in Fairview for the \$4k to be used for Steiner marketing projects. Dave Yoder, Cody Rossen will manage this account with reports brought to the board monthly, board will evaluate the amount for this account annually. Dave Yoder, Cody Rossen, Myra Yoder and Kelly Wangbichler will be signers on account.

Sign request from Thunder Bay Clinic has proven once again that we as a board and planning commission need to get our revisions to the lawyer, we have discussed no poles and total sign size 10x6. Rob has been working with Thunder Bay as he did with Dollar General to consider our community and their location as to what is necessary so far, he has had a great response with them.

Capital Improvement projects we are still looking at tree work, sidewalks, chapel and town hall parking lot.

Township Offices will continue with COVID -19 procedures such as plexiglass barrier, post/chain to keep people in lobby, encourage use of new drop box, new signs on door, post procedures on web site.
