Clerk: _____

November 27, 2018 Regular Meeting: Was called to order at 7:01pm

Present: Supervisor Warren Miller, Clerk Kelly Wangbichler, Treasurer Myra Yoder, Trustees Arisa Handrich and Robert Murphy

Others present: None

Guests: Doug Wellman of Whitehouse disposal and Skip Kowalk of Perry Lake Association

Public Comment: None

Discussion:

Doug Wellman: Will begin to haul recycling to American Waste in TC since Alpena center has closed their doors. Increase in cost will be \$100. Thanked Warren for clearing trees and leveling parking lot out at transfer site.

Skip Kowalk: petition initiated hiring RLS for six years, we either want it or we don't, maybe ask back lot owners to pay \$50-\$75? Don't see need to have a committee.

Warren Miller: September meeting we were asked to review Spens court order, found nothing stating we should be invoicing them for bringing back their travel trailer. Arisa and Rob will meet to look at possible options to move forward on milfoil project. All boards posting workshops must use the same guidelines as a regular meeting or a special meeting. Treasurer will need a new computer to support BS & A software. Application from Joshua Esch to be a firefighter. Senate Bill #396. Steiner Museum proposal to build a 40x70x10 addition to south end of primary building. Need to appoint BOR and PC members that have terms expiring 01-2019. P.C. board expects to complete the zoning ordinance at their January meeting.

Rob Murphy: Web Site launched as of 11-27-2018, would like to meet with board to brain storm ideas.

Arisa Handrich: Will reach out to Jennifer Jones of RLS to confirm pricing and get an itemized price list.
